

PISC's December 2008 Flurry

PRESIDENT'S CORNER **RESPECT LANDOWNERS!!!!**

It is almost that time, but ALL snowmobilers must remember that ACCESS TO PRIVATE LAND IS A PRIVILEGE, NOT A RIGHT. It is critical that we respect the property that we are privileged to use. That means: 1.) **NO RIDING DURING THE DAY DURING HUNTING SEASON,** 2.) **Staying on marked trails,** 3.) **Not littering,** 4.) **Keeping noise levels down when passing near residences. (IT MAY BE MUSIC TO YOUR EARS, BUT NOT THE LANDOWNERS),** 5.) **No loitering,** 6.) **Use discretion when "Mother Nature" calls.** We need to remember that our actions affect everyone who wants to use private land for recreation.

PS: SPREAD THE WORD!!

Once again PISC would like to thank all club members who have been coming to Sunday trail work parties in order to prepare our trails for the 2008/2009 snowmobile season. 340.5 HOURS have been dedicated to our trails. THANK YOU EVERYONE WHO HAS PARTICIPATED!
