PISC would like everyone to know that this year we have 30 new members. We would like to say thank you and we look forward in seeing you at future events and meeting.

Send us your news, stories, or pictures for upcoming newsletters

Have you seen your new clubhouse?

If you have not seen the new clubhouse don't miss the next general meeting on Thursday March 6th, 2008 @ 8pm.

It was decided at the last meeting that the club would buy a large high def TV, and thanks to Jeff Ludwig and his crew it has been installed and "tested." Some of the gang got together and had an impromptu Daytona 500 party... people brought a dish to share and held a few wagers.... All had fun!

Smooth Trails...

Thanks to the "Groomer Gang" our trails have been wonderful to ride this year... when we had snow of course. We would like to thank the guys in the groomers especially Sid Schaffer! Keep up the good work guys, our backs appreciate it!

Many thanks to all the people who continue to help the club this year in the way of working on trails, grooming, equipment repairs, ect...

We especially would like to thank Dave's Welding Shop Inc. and Frank Winkelbauer of Wales Snowdrifters for fixing our drag. Without their assistance our ride would have been not as pleasant. THANKS again!!

When you can't ride you gotta do something.

If you are a member in good standing you can use the clubhouse during winter months for your activities as long as the clubhouse is open to other members.

**Make sure to RSVP for the
Spring Banquet
By March 31st, 2008!**

Winter, in full force, finally arrived! Yes, it may not be exactly what we want, but the snow has arrived. Therefore, PISC would like to reiterate the need to stay on the trails. Abuse them and yes we will lose them. We want to keep the landowners happy, without them would not be able to ride.

PISC would like to say THANK YOU to all the landowners without you we would not have a trail system.
